

Library/Web Resources Quiz

****Complete in time for the class on Thursday 2nd June****

1. How many books written or edited by the author of *The Hobbit* are found in the Waseda University Libraries (WUL)? How many of these are Japanese translations? How many books ABOUT the author or his works can you find in WUL? Why so many?
2. Apart from English and Japanese, in what languages are the Harry Potter stories found in WUL? What about Keio library? What about the British Library in London? How can you find out about materials in academic libraries other than Waseda?
3. Who wrote *The Child and the Book: a psychological and literary exploration*? Who wrote *The Fantasy Literature of England*? Where and when were they published? Find the titles of at least FIVE other books ABOUT British children's literature or British fantasy literature held in WUL.
4. How many books written or edited by the course instructor are found in WUL? What are they about? How could you find out about other things that he has written (books not in WUL, articles in books, articles in periodicals, etc)?
5. When did the author of *The Hobbit* die? Which university did the author of the Harry Potter novels graduate from? When and where were they both born? How can you find out this sort of biographical information?
6. There was a very positive review of *The Hobbit* in the London daily newspaper, *The Times*, on Friday, 8 October 1937. What was the first sentence of the review? How did you find out?
