Personal Information

Date of Birth: October 12, 1947
Sex: Male
Marital Status: Married
Nationality: Japan

Education

Dr. S., Mathematics, June 1975
Waseda University
Tokyo, Japan
M.S., Mathematics, March 1972
Waseda University
Tokyo, Japan
B.S., Physics, March 1970
Waseda University
Tokyo, Japan

Employment

2019	Visiting Professor, Sapienza Università di Roma (May 6- June 5), Italy
2018	Research Member (Hamiltonian systems, from topology to applications through analysis), MSRI, Berkeley, California (October 1- October 30), USA
2018	Visiting Professor, Sapienza Università di Roma (May 5- June 4), Italy
2018-present	Research Fellow, Tsuda University, Tokyo, Japan
2018-present	Emeritus Professor, Waseda University, Tokyo, Japan
2011- 2014	Adjuct Professor, King Abdulaziz University
2011	Visiting Professor (Visiting Lecturer), College de France, Paris, France (January)
2010-2011	Visiting Professor, CEREMADE, Universite de Paris-Dauphine, Paris, France (December, February)
2010	Visiting Professor, University of Chicago, Chicago, IL, United States (September, 15th-October, 31st)

2001-2018	Professor, Waseda University, Tokyo, Japan
1996-2001	Professor, Tokyo Metropolitan Univeristy, Tokyo, Japan
1989-1996	Professor, Chuo University, Tokyo, Japan
1987-1988	Visiting Associate Professor, Brown Univeristy, Providence, R.I. United States
1981-1989	Associate Professor, Chuo University, Tokyo, Japan
1976-1981	Assistant Professor, Chuo University, Tokyo, Japan
1975-1976	Postdoctoral Fellow, Waseda University, Tokyo, Japan

Research Interests

Nonlinear partial differential equations, viscosity solutions, optimal control, differential games, surface evolution.

Membership

Member	
1988-Present	American Mathematical Society
1972-Present	Mathematical Society of Japan
Editorial Board	
2008-Present	Advances in Calculus of Variations
2000-Present	Nonlinear Differential Equations and Applications
1992-Present	Advances in Mahtematical Sciences and Applications
2011-Present	Journal de Mathematiques Pures et Appliquees
2011-present	Bulletin of Mathematical Sciences

Honors

<i>MSJ Autumn Prize</i>	Awarded in 1994 by the Mathematical Society of Japan
<i>ISI Highly cited researcher</i>	Named in 2002 to the Thompson ISI list of Highly Cited Researchers in Mathematics
<i>Fellow of the American Mathematical Society</i>	Selected in 2012 by the American Mathematical Society
<i>Okuma Memorial Academic Prize</i>	Awarded in 2017 by Waseda University
<i>MSJ Kodaira Kunihiko Prize</i>	Awarded in 2019 by the Mathematical Society of Japan

Selected Lectures

<i>Invited speaker at ICM</i>	International Congress of Mathematicians at Madrid, Spain, August 2006
<i>Plenary Speaker at ICIAM</i>	6th International Congress on Industrial and Applied Mathematics at Zurich, Switzerland, July 2007
<i>Conférenciers invités</i>	Mathématiques et Science numériques, College de France, January 2011

Two Hour Speaker at Rivière-Fabes Symposium 2011

The fourteenth Rivière-Fabes Symposium on Analysis and PDE, School of Mathematics, University of Minnesota, April 2011

Wolfgang Wasow Lectures 2018

Department of Mathematics, University of Wisconsin-Madison, April 2018

September 23, 2019
