## LANGUAGE

English is the official language.

## ABSTRACT

One page abstract (ISO A4 size, 297 mm × 210 mm) in MS-WORD format is requested for each presentation. It should contain the title of the paper, author(s), affiliation(s), postal address, e-mail address of the corresponding author, keywords less than 6 words, and main text. Preferred presentation form (Oral or Poster) should be indicated at the submission. The corresponding author will be informed of acceptance of his paper.

## PROCEEDINGS

The organizers have a plan to publish a symposium proceedings as a separate volume of *Radiation Physics and Chemistry*.

Y. Katsumura (Vice-chair, Univ. Tokyo)  
T. Ichikawa (Hokkaido Univ.)  
K. Asai (Tohoku Univ.)  
H. Namba (JAEA)  
H. Watanabe (RADIA INDUSTRY Co. Ltd.)

T. Kojima (Osaka Pref. Univ.)

## SYMPOSIUM SITE

The symposium will be held at the International Conference Center in Waseda University, Tokyo, JAPAN. The symposium site is located in the north area of Shinjuku downtown in Tokyo, just 5-min. walk from Waseda subway station or 20-min. walk from Takadanobaba station on Yamanote JR line. Foreign participants are advised to take a flight to the Narita International Airport or Haneda Tokyo International Airport, the nearest gateway to Tokyo area. Detailed information on the location is available on a web site.

## WEATHER

The season during the period of the symposium is late summer, and the temperature in Tokyo is still relatively high, usually, standing around 28 °C.

## ACCOMMODATION

Several hotels are available around the symposium site. Detailed information on hotel reservation is available on a web site, <https://act.jtbgmt.com/gmt/ssl/apsrc2008.asp>

## REGISTRATION

To register, please visit the following web site, <https://act.jtbgmt.com/gmt/ssl/apsrc2008.asp>  
Registration fee is **30 000 JPY (10 000 JPY for students)** before June 30, 2008, or **35 000 JPY (12 000 JPY for students)** after June 30, 2008. The registration fee includes the collection of abstracts and the final version of the proceedings.

## SOCIAL PROGRAM

Included in the registration fee will be an invitation to take part in the conference social program; Get-together Party (Aug. 29 evening) / Symposium Banquet (Aug. 31 evening at RIHGA Royal Hotel Tokyo, not for students).

**2nd Asia-Pacific Symposium on Radiation Chemistry**

**August 29-September 1, 2008**

International Conference Center, Waseda University, Tokyo, JAPAN

## 2nd Announcement

The 2nd Asia-Pacific Symposium on Radiation Chemistry (APSRC-2008), organized by Waseda University under the auspices of the Japanese Society of Radiation Chemistry, will be held from August 29 (Fri) to September 1 (Mon) at Waseda University, Tokyo, JAPAN. The symposium will gather scientists at the forefront of research on radiation chemistry to share information on recent progress in this field. The main topics are designed to include a wide range of subjects involving both fundamental aspects as well as applications. The symposium follows the last APSRC symposium style; keynote speakers will introduce and overview a subject of broad interests, and stimulate discussions. Plenty of time will be assigned to each poster presentation and informal style discussions to promote the exchange of information and ideas.
